

Trustee Recruitment – Bonnyrigg Rose Community Football Club

Be part of something extraordinary in Midlothian. Help shape the future of our community football club!

Bonnyrigg Rose Community Football Club is a true community club. Our club was formed 125 years ago to provide youth football opportunities for boys and girls in the local community. In recent years, the club has developed and adapted to meet the modern needs of a growing community. It now provides inclusive football for over 700 players at its Poltonhall footballing facilities.

The club also undertakes a wide range of work for the community in relation to both physical and mental wellbeing – including over the last year supporting over 150 people with 1:1 counselling, making over 600 lunches for local senior citizen guests and working with a myriad of partners including the red cross, community police and the Citizen’s Advice Bureau.
